Explanation

Words and figures inclosed in brackets [ ] are given for information, but do not appear on the title-pages of the publications catalogued. When size is not given, octavo is to be understood. Size of maps is measured from outer edge of border, excluding margin. When Congress and session are not given with the numbers of Senate and House documents and reports, 59th Congress, 1st session, is to be understood.

MONTHLY CATALOGUE DISTRIBUTION

The monthly catalogue is sent to each Senator, Representative, Delegate, and officer in Congress, to designated depositories and State and Territorial libraries, to substantially all Government authors, and to as many school, college, and public libraries as the limited edition will supply. Subscription price to individuals $1.10 a year. Back numbers can not be supplied. Please notify the Superintendent of Documents of any change in address.

SALES

The Superintendent of Documents is authorized to sell at cost any public document in his charge the distribution of which is not otherwise provided for. Only one copy can be sold to the same person, excepting Members of Congress, or to libraries or schools.

Documents can not be supplied free to individuals, nor can they be forwarded in advance of payment.

PRICE-LISTS

Price-lists of publications for sale by the Superintendent of Documents will be supplied free on application.

The Hydrographic Office sells for 50c its "Catalogue of charts, plans, sailing directions, and other publications." Other Government offices which have books, pamphlets, maps, or charts for sale issue price-lists, which will be sent free upon application to the issuing office.

PRICES

Documents entered in this catalogue that are for sale by the Superintendent of Documents are indicated by a (*) preceding the price named. The absence of a (*) indicates that application should be made to the Department, bureau, or division issuing the document; except in cases of publications bearing Senate or House document or report numbers, which can be obtained only from Members of Congress.

HOW TO REMIT

Remittances should be made to the **Superintendent of Documents, Washington, D. C.,** by postal money order, express order, or New York draft. Currency may be sent at owner's risk. Canadian postal notes will be accepted only when the name of the issuing office is plainly stamped on the face of the note. If postage stamps are pasted on, the note will be returned

Postage stamps, foreign money, uncertified checks, defaced or slick coin will positively not be accepted.

No charge is made for postage on documents forwarded to points in the United States, Guam, Hawaii, Philippine Islands, Porto Rico, or to Canada, Cuba, or Mexico. To other countries the regular rate of postage is charged, and remittances must cover such postage.

LIBRARY OF CONGRESS CARDS

Numbers to be used in ordering the L. C. catalogue cards will be found at the end of the titles of the more important monographic documents. The figure following the card number (separated from it by a slanting line) indicates the number of cards required for entries suggested (title entry not included) on the cards. The price of the cards is 2c for the first card and ½c for each additional card for the same title ordered at the same time. Remittances should be made to the Librarian of Congress. Cards can not be furnished by the Superintendent of Documents.
